

The Thrifty Issue

Helping Aussie mums make and save money!

Free Money!

Right now you can get free money as sign up bonuses from a few places. Here are the best ones we have found which are easy to join too.

\$100 with ING

This is for new customers only. Use the code **CNW116** and open a new [Orange Everyday Account here](#). You must use the code in the promo box when applying or you won't get your \$100.

Open by April 30, 2020. Deposit \$1,000 within one calendar month (such as your wage or Centrelink payments).

Use your new card to make 5 completed transactions.

Open a Savings Maximiser and make a deposit.

The \$100 bonus will be deposited into your Everyday Account.

\$10 with Swagbucks

Swagbucks is an online survey site plus you can get cash back on purchases, get paid to watch videos, do surveys, play games and more.

[Sign up here for your \\$10 bonus and find out how to make money.](#)

\$10 with Raiz

Raiz is an investing app, so to be clear, the stock market is crashing but you can [get \\$10 with them by signing up here](#) and making a deposit. Historically, the market has always recovered but you might lose a little before making more. Read the T&C's and decide if investing in shares is for you first.

\$5 with VP

Another bank sign up bonus but this one is quick and easy. [Sign up here](#) with the code **VPMBV** and you get your \$5 instantly!

\$5 with Spaceship

Spaceship is another investing app. Use the code **S89E87L4BS** to get your bonus. Their fees are less than Raiz but the same warning applies.

5 Day Fast Money Challenge + Bonuses

Sign up to the free [5 Day Fast Money Challenge](#) to get daily emails showing you ways to make and save money instantly over 5 days.
